Top right: try on hats in the museum for inspiration.

Bottom right: this is part of a photo from our collection-
beach headwear of the past!

Hat Festival Hats!

You can create a fancy fascinator or hat from scratch or even easier...

why not decorate your own hat or pop to a charity shop to get one!

1. Choose whether you are building on a hat you have or create a 'base' like a hair band or crown shape to build on.
2. Why not sketch out your idea. Go for 'wow' factor!
3. Add drawings, words and objects: things you have collected, or will collect: seeds, shells, found objects.

Use your hat in the hat festival events bridportthatfest.org

Then make yourself a hat inspired by the collection

Parents/carers: upload your selfies and tag us
