

Two photographs from our collection:

My Seaside Memory Jar

Your Seaside Memory Jar can be about Bridport which may be your home town. If you are visiting, how lovely to see you!

Your Jar can **hold your memories of your holiday** here or the whole summer holiday as it continues...it is up to you!

1. **Find a jar** you like.
2. Label your Jar with your name and a title, perhaps the year.
3. **Draw or write** some memories of Bridport or your holiday, it could be a view from memory or photo, a flower.
4. **Add things** you have collected, or will collect: seeds, shells, found objects.

Take home as a holiday souvenir or pride in Bridport town!

When you get home you can add photographs of people, special days out.

Parents/carers: upload your pics and tag us
