

A Ropey Old Quiz!

How much can you find out about Bridport's net industry? Search for the places where the pictures were taken in the museum and you'll find the answers to the questions. Write the answers down in the blank space. Have fun!

"also cause to be made at Bridport, night and day, as many ropes for ships both large and small and as many cables as you can, and twisted yarns for ballistae"	Who said this? Why was he so desperate for rope that he needed the people of Bridport to work night and day?	
	Can you find this cupboard in the museum? What were the raw materials for rope and net? Why were they grown around here?	
	This model shows people working on a rope walk. How did it prove that Bridport people were cleverer than other rope makers in the country?	
	Can you find out what this machine was used for?	
	The introduction of this machine meant many more rope factories opening up. Why was this? When was it introduced?	

A Ropey Old Quiz!

	Bridport rope has many uses. Can you find out what the Bridport Dagger was? Who was the boy? What had he done?	
	Look out for this net. It has a more modern usage. Can you find out what it is?	
	This is another modern net. What is it used for? What other modern uses of net can you find?	
	Why is there a photo of a football match in Bridport Museum?
